Sir,

Sub Ref:- Appointment of the Revenue Sub Divisional Officers concerned as Ex-Officio Vice-Chairmen of the Managing Committees of the Municipal High Schools in ~~the~~ places other than District Head Quarters

---

Adverting to the Government Order No ML 3530 47-1 47-34-25 dated 16th November 1934-15th February 1935 sanctioning rules for the Management of the Municipal High Schools in the State, I have the honour to state that the Deputy Commissioner, Bangalore District, Bangalore who is the Chairman of the Municipal High Schools in the District as per rule 4 of the rules, states in his letter No '6 660/46-47 dated 7th August 1947 that on account of numerous other engagements and the normal heavy work in the District under Revenue, Food and other Departments, it has been found not possible for him to bestow sufficient attention to the Management of the Municipal High Schools in his District and that it has also been found difficult to attend to and preside over the quarterly meetings of the Managing Committees of these schools He therefore requests that in respect of those Municipal High Schools which have already worked for full three years, the Assistant Commissioners in charge of the respective Revenue Sub Divisions may be appointed as Presidents of the Managing Committees of the respective Municipal High Schools, in place of the Deputy Commissioners, as those schools will have come by that time to a regular working order in regard to equipment, staff etc , and there will not be much difficulty in carrying on the normal management of such schools and this arrangement will not only afford the Deputy Commissioners the necessary relief but also it would not in any way affect the soundness of the Management of the schools since the Sub Division Officers can afford to give greater attention as they will have only 4 or 5 such High Schools in their jurisdiction and they will be visiting the Taluks almost every month

For the reasons stated in my letter No H3 3335-265/46-47/dated 17-12-1946 to the Government and also in your letter No L 3003/M1 63-46-83 date 22nd August 1947 addressed to the Deputy Commissioner, Kadur District, the present arrangement of having the Deputy Commissioners as Presidents of the Managing Committees of Municipal High Schools has to continue

The present proposal of the Deputy Commissioner, Bangalore District, is therefore not feasible

However, the Revenue Sub Division Officers may be appointed as - Vice-Chairmen of the Managing Committees of the Municipal High Schools in their respective jurisdiction so that they may act as Chairmen at the - meetings of the Managing Committees of these schools in the absence of the Deputy Commissioners But as per the present practice, in the case of the Municipal High Schools which are in the District Headquarters the Revenue Sub Division Officers concerned are appointed as Ex-Officio Secretaries of the Managing Committees of such schools whenever non-official Secretaries are not available, and further, in the case of such schools, the Chairman of the Managing Committees viz , the Deputy Commissioner of the District will be at the District Headquarters and he may not find it inconvenient to attend to and preside over the meetings of the Managing Committees of these schools Hence, there may not be any need for the appointment of Vice-Chairman in the case of these Municipal High Schools which are in District Headquarters

In the circumstances, I request that Government may be pleased to accord sanction for appointing the Revenue Sub Division Officers concerned as Ex-Officio Vice-Chairmen of the Municipal High Schools which are situate in the places other than the District Headquarters so that they may act as Chairmen at the meetings of the Managing Committees of these schools in the absence of the Deputy Commissioners since the latter may not find it convenient to attend to and preside over the meetings of the Managing Committees of the schools which are in the moffusil areas

Sir,

Your most obedient servant,

Director

Sir,

Subject: Appointment of the Revenue Sub Division Officer as Ex-officio Vice Chairman of the Managing Committee of the Municipal High schools in places other than District Headquarters

4136

With reference to your letter No L 10389 dated 27-7-48 on the above subject, calling for my remarks in respect of letter No E 3 1254-65/47-8 dated 16-7-47 addressed to you by the Director of Public Instruction in Mysore, Bangalore, I have the honour to state as follows :-

In your letter No L 10420-8 dated 20-10-47, you had suggested whether in the interest of the efficient management of the Municipal High school it would be advantageous if the Head Masters Secretaries / Secretaries of the managing committees and the District Educational officers concerned the presidents of committees of management of those institutions instead of the Deputy Commissioners. In reply, I had opined that their proposal was most welcome in the interests of smooth and effective administration of the High Schools, I have also explained in my letter No G. 2050/47-48 dated 7-8-48 how it is desirable to minimise the work mq/ on the Deputy Commissioner in regard to the Municipal High school administration. The proposals embodied in the Director of Public Instructions letter No E3 1254-65/47-1 dated 16-9-47, does not afford the desired relief in as much as under the said scheme, the Deputy Commissioner remains to be the head of the management and in only rare cases he may have to ~~attend~~ cannot attend the managing committee meetings the Sub Division Officer may act as Vice Chairman

I therefore request that approval may be obtained to the proposal contained in your letter L.10420-8 dated 20-10-47, to appoint District Educational Officer as president and the Head Masters as Secretaries
